What are you doing here?

Huh ... ?
I am here for some fresh air ...

Why don't you try it ? The contest.

I guess I am afraid ...
I mean I could insist going for it against my parents' will...

Then I think about the worst case...
Not winning the exhibit and losing my parents' favor ...

I couldn't stop thinking about that, so I gave up...

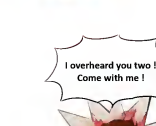

You are too timid.

* So Sim-He: Being timid.

I understand that your name is So Sim-He but really you are too timid.

If you get scared and give up even before you start, you won't be able to do anything.

I ... still have doubts...

I don't think I will be able to stand up against like how my sister did...

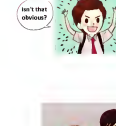

Of course, you can, fool.

"fool" ...

I overheard you two !
Come with me !

!!!????

Why the heck do I need to even follow that guy?

Um, Je Buck...

Where are you going ?!

Isn't that obvious?

To my home. ♡

?????!! Why do we even need to go to your home ????!

Bro ♡

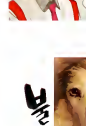

Hehehe, Buro, I missed you also, girl.

The name is... Bro?

Yeah, isn't she cute? ♡

Who the hell names a female dog Bro? 🐶

Anyway.... why did you bring us here?

Oh, yeah, give me a sec !

I am sorry, Ga-Un. It looks like I dragged you into this ...

No need. It was out of your control.

I would have been really pissed if she came here alone.

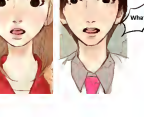

Bro, right? Good girl...

I wonder if she can be Black's friend.

She's so big ... No way can she befriend Black...

Hehe ㄹㄹ

Okay, here I am.

What are these...

Why don't we practice drawing together

Until the contest.

Huh ?!

What?!

... You are hungry.

Come over here, guys.

He is ... nice...

He smells like one of us...

Um, thanks for the offer but...

Hello, ma'am.
